

Anderson Districts I & II Career and Technology Center ONE-DAY DRIVER PERMIT

Execution of this document permits the below named student to drive to the Career and Technology Center from the parent high school under the following conditions:

1. No vehicle shall be brought to the Career and Technology Center without execution of all required signatures upon this document.
2. The parent high school nor the Career and Technology Center will be responsible for the vehicle, its operator, nor its contents as it is being moved to the parent high school or to the Career and Technology Center, or on its return.
3. The student must only drive the vehicle directly to and from the parent high school and the Career and Technology Center.
4. The operator of the vehicle is strictly forbidden to carry any passengers in the vehicle.
5. The Career and Technology Center shall not be held responsible for the vehicle nor its contents while on school property.
6. The student and their parent/guardian understands that neither the School Districts nor the Career and Technology Center will be responsible for any accident, misconduct, vandalism, or stolen property that may occur in the operation of a vehicle by a student.
7. The parent/guardian will retain the responsibility of their child while in transit to and from the parent high school and the Career and Technology Center.
8. This is only permissible for the date given below.
9. The student must follow all rules and regulations for drivers of the Career and Technology Center and the parent high school.
10. This form must be completed and turned into the Assistant Director PRIOR to driving to the Career and Technology Center.
