

# Anderson Districts 1 & 2 Career and Technology Center ONE-DAY RIDER PERMIT

Execution of this document permits the below named student to ride with a CTC permitted driver to the Career and Technology Center from the parent high school and/or home under the following conditions:

1. The student must only ride in the vehicle directly to and from the parent high school and/or home and the Career and Technology Center.
2. The parent/guardian will retain the responsibility of their child while in transit to and from the parent high school and or home and the Career and Technology Center.
3. This is only permissible for the date given below.
4. The student must follow all rules and regulations for riders of the Career and Technology Center and the parent high school.
5. This form must be completed and turned in to the Assistant Director **PRIOR** to driving to the Career and Technology Center.
