Rules & Regulations for Drivers & Riders of Vehicles Driven to ACTC from Belton-Honea Path, Palmetto, Powdersville, & Wren High Schools

Anderson School Districts I and II provide bus transportation between the high school campus and ACTC campus, and the School Districts prefer that all students take advantage of the transportation. If a student and his or her parent/guardian choose to drive or ride, they must agree to the following regulations:

1. All drivers must have completed the Alive @ 25 training course.
2. Students will not be granted permission until all outstanding and current fees are paid.
3. No students will be permitted to drive a vehicle until they have permission from their parent/guardian and ACTC's Assistant Director. Students must have a valid driver's license
4. No student will be permitted to drive a vehicle or ride with a student until ACTC's Student Parking Safety Quiz has been taken and passed. Quiz and information is located in the 2022-2023 Parent/Student Forms.
5. No motorcycles may be driven to ACTC.
6. Any illegal/unlawful act (speeding, accident, reckless driving, off path, etc.) while driving to/from and on the school grounds will not be permitted and may result in the cancellation of permission to travel in a private vehicle.
7. The student will be charged with the responsibility of reporting to the proper school at the proper time. Excessive tardiness to class will result in suspension and possible revocation of permission to ride/drive.
8. The speed limit on campus is ten miles per hour.
9. Students will park in designated parking places and follow the designated one-way signs. ACTC is not responsible for any damage or vandalism to privately-owned vehicles.
10. The students and their parent/guardian understand that neither the School Districts nor ACTC will be responsible for any accident, misconduct, vandalism, or stolen property that may occur in the operation of a vehicle by the student. The parent/guardian must retain the responsibility of their child while in transit to and from the high school and ACTC's campus.
11. No loud playing of radios, tape players, or CD players will be allowed while the vehicle is on campus.
12. Littering on campus may constitute loss of riding/driving privileges.
13. A driver transporting an unapproved rider will be subject to losing their permission, either by suspension or permanent revocation.
14. If the student has lost the privilege to drive or ride in an automobile and loses the privilege to ride the bus, it will be the parent's responsibility to transport their child between the high school, home, and ACTC.
15. No vehicle will be allowed to park on campus with anything inappropriate.
16. **Driving or riding to the ACTC in a private vehicle is an earned privilege.**
17. **A student MUST have a permit to drive or ride on campus.**
