

Shear and Razor Policy

ACTC cosmetology students have a kit for the program that is required by the State Board of Cosmetology. Included in this kit are shears and razors that are carried throughout the day in order for the students to practice in the classroom as well as at home. Students are instructed to leave the kits in their vehicles or in their lockers when not in use. Signing the paper sent home is stating you understand board policies that prohibit any type of sharp object allowed on school grounds and understand that neither shears nor razors are to be out of your cosmetology kit, and if I do so, I am subject to the consequences of the board policy which includes suspension and possible expulsion from school.
